Work Experience

Volunteer Work

Green Dreams Landscaping - Vancouver, BC

January 2020 to August 2020

During my time as a volunteer with Green Dream Landscaping, I had the privilege of actively contributing to the beautification and preservation of natural spaces. As a passionate advocate for environmental conservation, this opportunity allowed me to apply my knowledge and skills towards creating sustainable landscapes that blended harmoniously with the surrounding ecosystems. Working alongside a dedicated team, I gained valuable hands-on experience in various aspects of landscaping, including planting native species, maintaining gardens, and implementing environmentally friendly practices

Programmer

First Robotics Competition - Vancouver, BC

January 2019 to June 2020

As a programmer for a robotics team in the FIRST Robotics Competition, I had the incredible opportunity to combine my passion for programming with my enthusiasm for robotics. Collaborating with a diverse group of talented individuals, I played a crucial role in developing and implementing software solutions that powered our robot's functionalities. From designing autonomous routines to optimizing control systems, my experience involved leveraging programming languages such as LabView and Python to bring our robot to life.

Customer Service

TELUS Koodo - Vancouver, BC

June 2019 to January 2020

As a former customer service representative at TELUS(KOODO), I had the privilege of serving customers and providing exceptional support in a dynamic telecommunications environment. My time at TELUS(KOODO) allowed me to develop strong communication and problem-solving skills while maintaining a customer-centric approach. I had the opportunity to handle a wide range of inquiries, ensuring prompt and accurate resolutions to customer concerns. Collaborating with a dedicated team, I consistently delivered high-quality service, actively listening to customers' needs and tailoring solutions to exceed their expectations.
